1" HEAVY-DUTY SPINDLE SHAFT	Standard				
SPINDLE BEARINGS	Greaseable Ball Bearings				
DECK LIFT ASSIST PEDAL	Standard				
CUTTING HEIGHT	1.0" - 5.5" in .25" increments				

COMFORTABLE RIDE

The deluxe suspension seat features thick cushions, large bolsters and 3-D isolation mounts that absorb bumps and vibrations to reduce operator fatigue.

TOUGH SPINDLE ASSEMBLIES

Toro's rugged cast-iron spindle assemblies survive impacts that would destroy lesser spindles. A stout cast iron housing with a massive base absorbs impact loads and distributes them across a broader area of the deck shell.

SMOOTH, POWERFUL RESPONSE

The unitized pump and wheel motor uses proven commercial hydraulic components while eliminating hoses and other potential leak points. You'll get a smoother, faster response while enjoying an even more reliable machine.
